Welcome to your new favorite place! This 4-bedroom, 3.5-bathroom waterfront home is perched in one of the scenic areas of Lake Redstone that locals call "the narrows" and offers stunning long-range water views from multiple decks including a dreamy screened deck. Inside, everything's been upgraded and expanded to perfection. The hickory flooring throughout is to die for! The kitchen is loaded with cabinets, granite countertops, and a spacious dining area complete with deck access and lake views! The 2-story living room, with a stone woodburning fireplace, opens up to the screened deck and offers everyone a place to unwind. Upstairs, the primary bedroom has its own fireplace and bathroom, plus there are three more bedrooms a full bath and a convenient laundry room. There's a fun third-level den/office with exceptional lake views where you can work or daydream as you overlook the calming waters. The lower level features a family room and a great workshop/hobby space. A large 3+ car garage is huge asset and is perfect for storing your boat, bikes, cars & water toys. This lakefront home is an absolute must-see!
