Mesmerizing views of Lake Redstone are at your doorstep in this super-spacious 4BR/3.5BA home offering you & yours the lifestyle you crave! Easy to use kitchen w/tiled flooring for easy clean-up opens to the 2-story living-dining room with a wall of windows so you can enjoy the view as you relax with family & friends. Master bedroom on the main level with a fireplace! Each bedroom has their very own bath or direct access to one--so you don't have to share if you don't want to! Expansive lower level family/recreation room with a wet bar! Relax outdoors on the deck or the patio--both offer views of the lake. 3+ car garage that's set up for in-floor heat. Deeded lake access across the street. This home isn't missing a thing.....don't pass it by!
