Nothing says welcome to the lake quite like this 3BR/2BA Cedar cabin sitting pretty on a wooded lot with over 91' of privately owned shoreline. Inside you'll enjoy the great room offering real hardwood floors and a vaulted wood ceiling with recessed lighting. An outstanding kitchen w/stainless appliances has everything you need within reach! The relaxing living area is the place for unwinding in style & also offers access to the huge deck where you will enjoy the sights & sounds of the abundant wildlife right in your own yard. The finished lower level enhances life with a large family-recreation room and woodstove that can keep the entire cabin toasty warm. Step out onto the lower deck and enjoy the shade. All good-sized bedrooms & outstanding closet space. This one will NOT be around long! Pre-Inspected TOO!
