Situated on a hard to find level waterfront lot you'll find this Lindl Cedar Home. Approximately 80' privately owned shoreline is a great spot to go fishing or swimming...get in the boat and it's a QUICK ride to the main body of water. Inside is warm & friendly with its wood interior. Large wood burning fire place in the great room, vaulted & log beamed ceilings throughout. Walk out lower level could be made into anything your heart desires. HUGE party deck!
