An outstanding full log home at Lake Redstone is waiting for you to fall in love! 82' of privately owned shoreline in one of the most scenic locations at the lake. Loads of Hickory flooring enhances the already warm feeling that only a log home can offer. Efficient & well-planned kitchen opens to a convenient dining area. 2-Story living room with a woodstove and access to the fun lakefront wrap around deck. First floor primary bedroom with a private bath, walk-in closet & woodstove too! Upper level is home to a relaxing loft that overlooks the living room and two good-sized bedrooms with ample closet space. A finished lower level adds a bedroom, bathroom & multi-purpose room that is currently used for a tv watching spot. HUGE utility room with laundry facilities and an immense amount of storage. 2-Car garage with an upper level that's perfect for a workshop/hobby area. Stunning woodlands & rock formations greet you as you take a walk to the water and your permanent super-sized dock! P.S. Just about everything you see....stays!!!!
