Step into like-new luxury at Lake Redstone! This 3BR/2.5 BA waterfront gem is just a few years old & loaded with high-end features. The kitchen features Amish-crafted cabinetry, quartz countertops, and special built-ins—all designed to impress. Enjoy lake views while dining, or step into the grand two-story living room with a rustic wood ceiling, gas fireplace, and easy access to the lakeside deck. The main-level suite is a dream with a dual vanity, custom tile shower, and separate soaking tub. Upstairs offers two more bedrooms, a full bath, and a spacious loft—perfect for guests or game night. First floor laundry, zoned heating & cooling and a heated 2-car garage add comfort and convenience. Private shoreline w/ample docking space and a quick cruise to the main lake! HURRY.
