Over 525' of shoreline, 2.16 acres of wooded beauty, and a chalet-style retreat all in one! Nestled in one of the most scenic areas of Lake Redstone, this 3BR/3BA Chalet offers dramatic rock formations, lake views, and room to roam. Inside, wood flooring and warm finishes set the tone. The kitchen features a snack counter, plenty of cabinetry, and great counter space. The open living-dining room with a fireplace invites gatherings and opens to the lakefront deck. Main level bedroom & bath. Upstairs, find two spacious bedrooms—one with its own private lake-view balcony—and a full bath. The walk-out lower level is made for fun with a family room, pellet stove, wet bar, bonus room, bath, and access to a second deck. Outdoors, winding pathways lead you through towering trees and unique rock outcroppings to the water's edge. Picnic spots, a fire pit for storytelling, and wooded trails add to the adventure. Acreage and shoreline like this are rare—claim your slice of Lake Redstone today!
