Tucked in the scenic "Narrows" at Lake Redstone, this 3-4BR/3BA home serves up incredible views of stunning rock formations, towering hemlocks, and is just a hop, skip & jump from the beach and the dam/waterfall! Inside, you'll find a warm and welcoming space that's been well cared for—perfect for lake life. The kitchen features hickory cabinetry and opens up to the dining area and spacious living room with a cozy gas fireplace (remote included!) and access to the lakefront deck. The main-level primary suite includes a private bath and a walk-in closet. Laundry is a breeze with the mudroom/laundry combo just off the attached 2-car garage. Upstairs, you'll find two generously sized bedrooms with lake views that are hard to beat. Head down to the finished walk-out lower level for fun and relaxation—there's a big family/recreation room with a woodstove, plus access to another lakefront deck with a screened-in hangout zone. With 90 feet of shoreline, a handy storage shed, and amazing views all around... this place has everything you need to kick back and enjoy the lake life. Don't wait—homes like this go fast!
